Description Chalet "La Rotze" is located in one of the best and most sought-after locations in Verbier, Les Esserts. With a land area of 868 m², the property comes with two buildings: a chalet and a typical Valaismazot. The plot is on level ground, and includes private parking and direct access to the road. The property is conveniently located next to the 18-hole "Golf Club Verbier". In the winter there is easy access to the "Verbier 4 Vallées" ski area. With its grandiose view of the mountains and magnificent evening sun, residents and guests of "La Rotze" will enjoy memorable moments. The existing authentic wooden buildings on the property already make it a great value. The exclusive plot of land, however, can also be used for the construction of a new property. Sale to non-Swiss-residents/nationals: yes
